**NOTICE OF REQUIREMENT TO CONNECT TO PUBLIC SEWER SYSTEM
WITHIN 365 DAYS**

July 31, 2025

Dear

Section 381.00655, Florida Statutes, requires all owners of an "onsite sewage treatment and disposal system" (i.e., septic system) to connect the system or the building's plumbing to an available publicly owned (or investor owned) sewage system within 365 days after written notification that the publicly owned (or investor owned) sewage system is available for connection. On July 27, 2010, the Citrus County Board of County Commissioners adopted section 42-163, *et seq.*, Citrus County Code of Ordinances, which incorporates the 365-day sewer connection requirement and provides County enforcement of the connection requirement. Central sewers help negate the environmental impact that septic tanks potentially pose to the aquifer.

Citrus County Utilities has determined that your property located at 1466 E Monopoly Loop is served by a private on-site septic tank while public central sewer is available. **This letter serves as official notice of your requirement to connect to the available central system within 365 days of the date of this notice.**

The property owner is responsible for all wastewater connection fees, as well as all permitting and construction costs to remove their existing septic system and connect the plumbing from their home to the County sewer system in the adjacent road right-of-way. Financial assistance with some of the cost is available through a Sewer Connection Program grant fund from the Florida Department of Environmental Protection (FDEP). Grant details are available online by clicking the link: https://citrusbocc.com/departments/water_resources/utility_business_services/sewer_connection_program.php or searching by the shortened URL <https://bit.ly/sewerconnect>.

Please contact Citrus County Utilities Monday through Friday 8:00 a.m. - 4:30 p.m. at (352) 527-7650 (then press option 4) for information concerning mandatory connection of your property to central sewer.

We appreciate your cooperation in this matter.

Sincerely,

**Ken Cheek
Director, Water Resources
STATE OF: FLORIDA**

COUNTY OF: CITRUS

The foregoing instrument was acknowledged before me this 31st day of July 2025, by Ken Cheek as Director for Citrus County Department of Water Resources.
